UNDERSTANDING CMMC 2.0

A COMPREHENSIVE GUIDE FOR DEFENSE CONTRACTORS
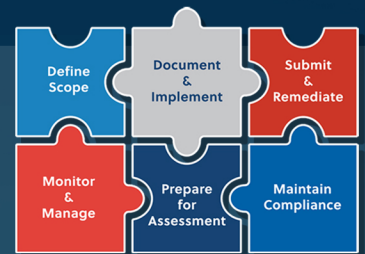

Safeguarding National Security
We ensure cybersecurity in the Defense Industry Base (DIB) with CMMC 2.0.

WHAT IS CMMC 2.0?

An Insight Into Cybersecurity Maturity
CMMC verifies a company's cybersecurity practices against NIST SP 800-171 controls to protect Federal Contract Information (FCI) and Controlled Unclassified Information (CUI).

Define Scope · Document & Implement · Submit & Remediate · Monitor & Manage · Prepare for Assessment · Maintain Compliance

RECENT RULEMAKING UPDATES

JULY 24TH

A Significant Milestone
CMMC rule submitted to the White House's OIRA. Review process to last up to 90 days, followed by 60-day public comment.

IMPLICATIONS FOR DEFENSE CONTRACTORS

Prepare for Compliance
Defense contractors must align with evolving standards. Implementation is expected by fall 2024.
